ABOUT

LANGUAGE CAMPUS

Founded in 2008, Language Campus is the leading language company in the Canary Islands. We take pride in being a rapidly growing, young company made of a team with committed professionals.

Our way of teaching has been designed to help our international students in a flexible and personalised manner that can be adapted to their needs and availability, in order to achieve rapid and strong progress in their study of languages. Further to this, **our mission is to guarantee the provision of high-quality educational services**, in a friendly environment, through the use of the latest educational technology, in comfortable and modern facilities.

THE

PROGRAMME

This +40 Language and Culture program in Gran Canaria is designed for adults who are interested in learning Spanish or English, while also immersing themselves in the local culture and taking part in different activities.

The program is located on the beautiful island of Gran Canaria, which is known for its stunning beaches, unique volcanic landscapes, and diverse cultural heritage. Throughout the program, students will have the opportunity to explore the island's history, art, and architecture through cultural and touristic visits.

In addition to cultural experiences, **the program also includes daily Spanish or English language classes with experienced teachers**, who will help students improve their speaking, listening, reading, and writing skills. Classes will be taught using a communicative and interactive approach, allowing students to practice their new language skills in real-life situations.

To complement their language learning, students will also participate in different activities.
