## SUMMER AND WINTER CAMPS

Our Summer and Winter Camps offer young learners the perfect combination of language **learning, fun and adventure**.

Students can choose to study either **English or Spanish**, enjoying dynamic and engaging lessons. They take part in exciting activities such as beach days, sports, workshops, excursions, and team-building experiences.

These camps provide a safe and multicultural environment where students build confidence, make international friends, and enjoy an unforgettable educational holiday in the Canary Islands.

***Ages: From 12 years old.  
Flexible stays (1, 2 or more weeks).***

# GRAN CANARIA SUMMER & WINTER CAMPS

**Accommodation:** 3\* hotels, full board + airport transfers.

**Activities:** 4 half-day excursions and 2 full-day excursions per week (beaches, national parks like Teide, surfing and sports).

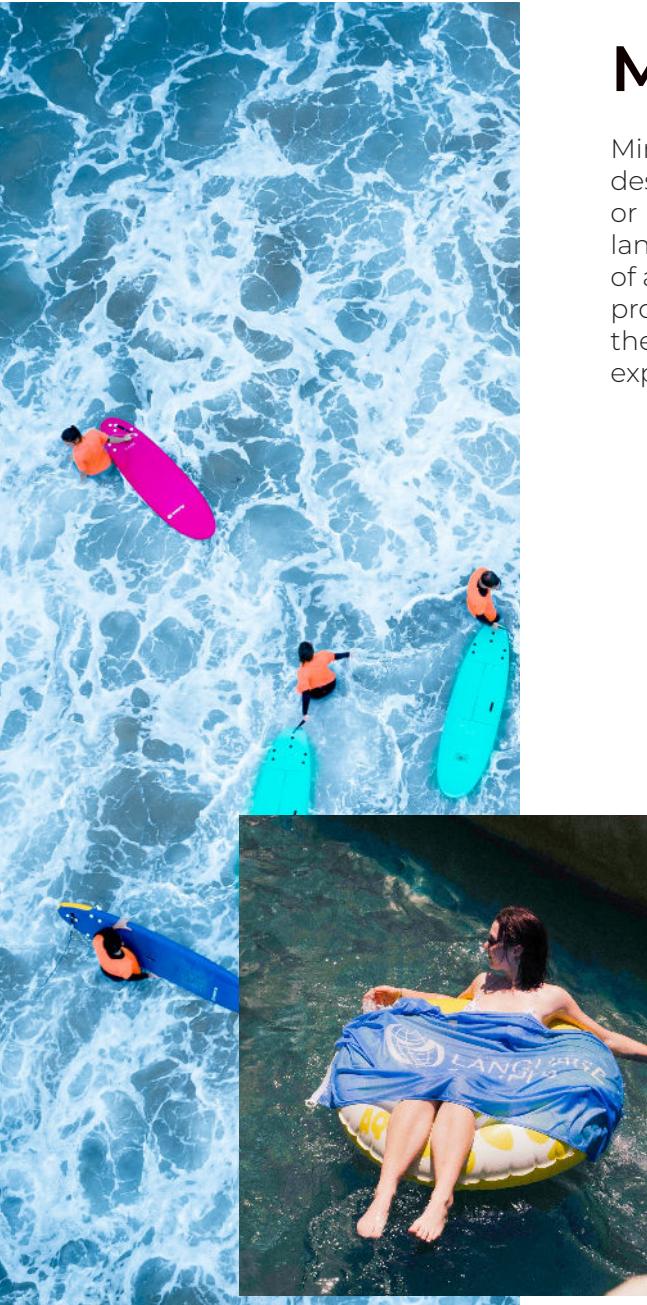

## Why Choose These Camps?

**High-quality teaching** with native/qualified teachers and small groups, ensuring personalised attention.

**Full immersion:** lessons combined with real-life experiences, friends from different countries, and an island lifestyle.

**Excellent facilities:** 3 or 4 star accommodation, full board, airport transfers, supervision 24 hours (in Tenerife/Gran Canaria) for student safety.

**Location advantages:** the Canary Islands offer fantastic year-round climate, beautiful beaches, natural landscapes and rich culture, perfect for combining study and leisure.

## MINISTAYS

Mini-Stays are short cultural and educational programmes designed for school groups who want to experience Spanish or English immersion abroad. Students participate in language classes tailored to their level and enjoy a selection of activities, guided visits, and cultural workshops. These programmes are flexible and can be customised to meet the needs of each group, offering a complete immersion experience in just a few days.

## HIGH SCHOOL PROGRAMS

Our High School Programs allow students to spend a full term or school year in the Canary Islands while improving their Spanish or English and experiencing local life. Learners attend classes, participate in cultural activities, and live in a safe and supportive environment. This programme promotes independence, academic growth, and intercultural understanding, ideal for teenagers seeking a transformative educational experience abroad.

**Step into a new culture,  
make lifelong friends,  
and transform your  
future.**

## PCTO / PON

These programmes are specially designed for Italian schools that participate in PCTO or PON projects. Students combine Spanish or English lessons with practical experiences, cultural activities and, when required, observational internships. The programme strengthens language skills, supports educational objectives and gives students the opportunity to experience real-life learning in a European context.

**Advance, explore,  
and enjoy an inspiring  
experience!**

## ERASMUS+ (YOUTH / SCHOOL GROUPS)

Language Campus offers Erasmus+ mobility opportunities for schools and youth groups. These programmes include Spanish or English lessons, cultural activities, training sessions, and project-based learning experiences. Students develop both language competences and key skills such as teamwork, problem-solving, and intercultural communication within an Erasmus+-certified framework.

## YEAR-ROUND COURSES

Our Year-Round Courses provide continuous Spanish and English learning for adults at all levels. With flexible schedules and dynamic teaching methods, students can join any week of the year and study for as long as they need. These courses focus on communication, cultural integration, and real-life contexts, perfect for long-term residents, expats, university students, and adult learners seeking steady progress. We also offer combined language and leisure courses such as language and yoga or multiadventure sports.

### Top Reasons to Choose Our Year-Round

#### Flexible courses all year round:

Study whenever it suits you best, with no seasonal limitations.

#### Qualified teachers and small class sizes:

Benefit from personalised attention, dynamic lessons, and real progress.

#### Full cultural and language immersion:

Experience the local culture while improving your language skills in an authentic environment.

#### Programmes for all ages and levels:

From young learners to adults, beginners to advanced — we offer options tailored to every goal.

## EXAM PREPARATION AND EXAMINATION CENTRE

Language Campus offers specialised exam preparation courses for official certifications. Lessons focus on exam structure, strategies, mock tests, and improving accuracy in reading, writing, speaking and listening. In addition, our centres operate as examination venues, giving students the convenience of preparing and taking their exam in the same place. We are an **Accredited Centre by the Instituto Cervantes** and an official examination centre for **DELE, SIELE and CCSE**.

For English, we are an official preparation centre for **Cambridge and Oxford exams**, and an official examination centre for the OTE (Oxford Test of English).

## ERASMUS+ (ADULTS / VOCATIONAL TRAINING)

We host Erasmus+ programmes for adult learners, teachers, vocational students, and professionals. These mobility programmes combine Spanish or English language training with workshops, professional visits, cultural immersion, and skill-development activities. Each programme can be tailored to the institution's objectives, ensuring a meaningful and enriching international experience.

**Study, explore, and make lifelong memories! Welcome to your Erasmus journey!**

# BILDUNGURLAUB

We offer accredited language courses compatible with the licence Bildungsurkunft. The programme offers you the opportunity to broaden your knowledge and skills, as well as to develop and educate yourself personally and professionally.

## JOB SHADOWING & TEACHER TRAINING

Our **Job Shadowing, Teacher Training, and Language Training** programs work together to provide comprehensive professional development by allowing participants to observe real workplace practices, strengthen effective teaching skills through structured instruction, and improve communication abilities in a target language. Combined, these programs enhance practical understanding, boost instructional and linguistic competence, and support overall personal and professional growth in diverse environments.

**Discover the workplace  
from the inside and build  
skills that truly matter.**
