

**ENGLISH CONVERSATION CLASS**  
**ADVANCED**  
**MARCH WEEK N°1**

**Topic:** Success: social expectations vs personal definition

**Play this video and answer the following questions:**

<https://www.youtube.com/watch?v=P8b4mZvrui4>

- 1. According to the video, which of the following best captures the dictionary definition of "success"?**
  - A. Achieving wealth and public recognition
  - B. Doing something well or excelling at something
  - C. Always balancing career and family perfectly
  - D. Gaining power over others
- 2. The speaker lists several examples of success. Which of these is presented as an example in the video?**
  - A. Winning every competition you enter
  - B. Listening very attentively to a child
  - C. Becoming the most popular person in school
  - D. Avoiding any personal sacrifices
- 3. The video suggests that success is often more neutral and less value-laden than people assume. What does this idea mean in context?**
  - A. Success can include quiet, personal actions that aren't highly praised
  - B. Success only refers to public achievements like fame
  - C. Success always means the same thing to everyone
  - D. Success requires sacrificing personal integrity
- 4. Which tension or trade-off does the video explicitly mention as difficult to achieve simultaneously?**
  - A. Being creative and being logical
  - B. Having a large social media following and being wealthy
  - C. Being kind and being intelligent
  - D. Succeeding in a career and fully succeeding in family life
- 5. What final recommendation does the speaker give about how to pursue success?**
  - A. Follow the most common path that others recommend
  - B. Pursue only wealth and status to guarantee fulfillment
  - C. Follow your own distinctive path to a success that truly fulfills you
  - D. Avoid taking any risks so you don't fail

**Answer Key:**
