ABOUT

Language Campus

Our story began in 2006 as a study-travel agency — work we continue today — followed by the founding of Language Campus in 2008. Today we welcome international students and professionals of different ages and backgrounds to learn, connect and experience life in the Canary Islands.

Our approach combines language teaching with personal attention and practical communication. Spanish and English courses are adapted to each student's level, goals and learning needs, creating a supportive environment where participants can build confidence and use the language from the beginning.

Our programmes follow the **Common European Framework of Reference for Languages (CEFR)** and are delivered by **qualified and experienced teachers** who make learning engaging, accessible and enjoyable.

With welcoming learning spaces, an international atmosphere and personalised support, Language Campus offers an environment where adult learners can progress at their own pace while enjoying island life.

THE PROGRAMME

50+ Language & Culture Programme

Learn. Discover. Connect. Enjoy Gran Canaria.

Our 50+ Language & Culture Programme brings together language learning, culture, gastronomy and island discovery in a relaxed, sociable experience for travellers aged 50 and over.

Whether you travel with a group or on your own, discover different ways to experience Gran Canaria, meet people and enjoy local life at a pace that leaves room for both exploration and free time.

Language classes are optional. Choose Spanish or English lessons as part of your stay, or enjoy a programme centred on culture, activities and discovering the island.

CHOOSE YOUR EXPERIENCE

Two ways to travel

For Groups

Your group. Your interests. Your programme.

We create tailor-made programmes around your group's interests, preferred dates, duration and budget. Combine optional language classes with cultural visits, gastronomy, excursions, social activities, wellness experiences and free time.

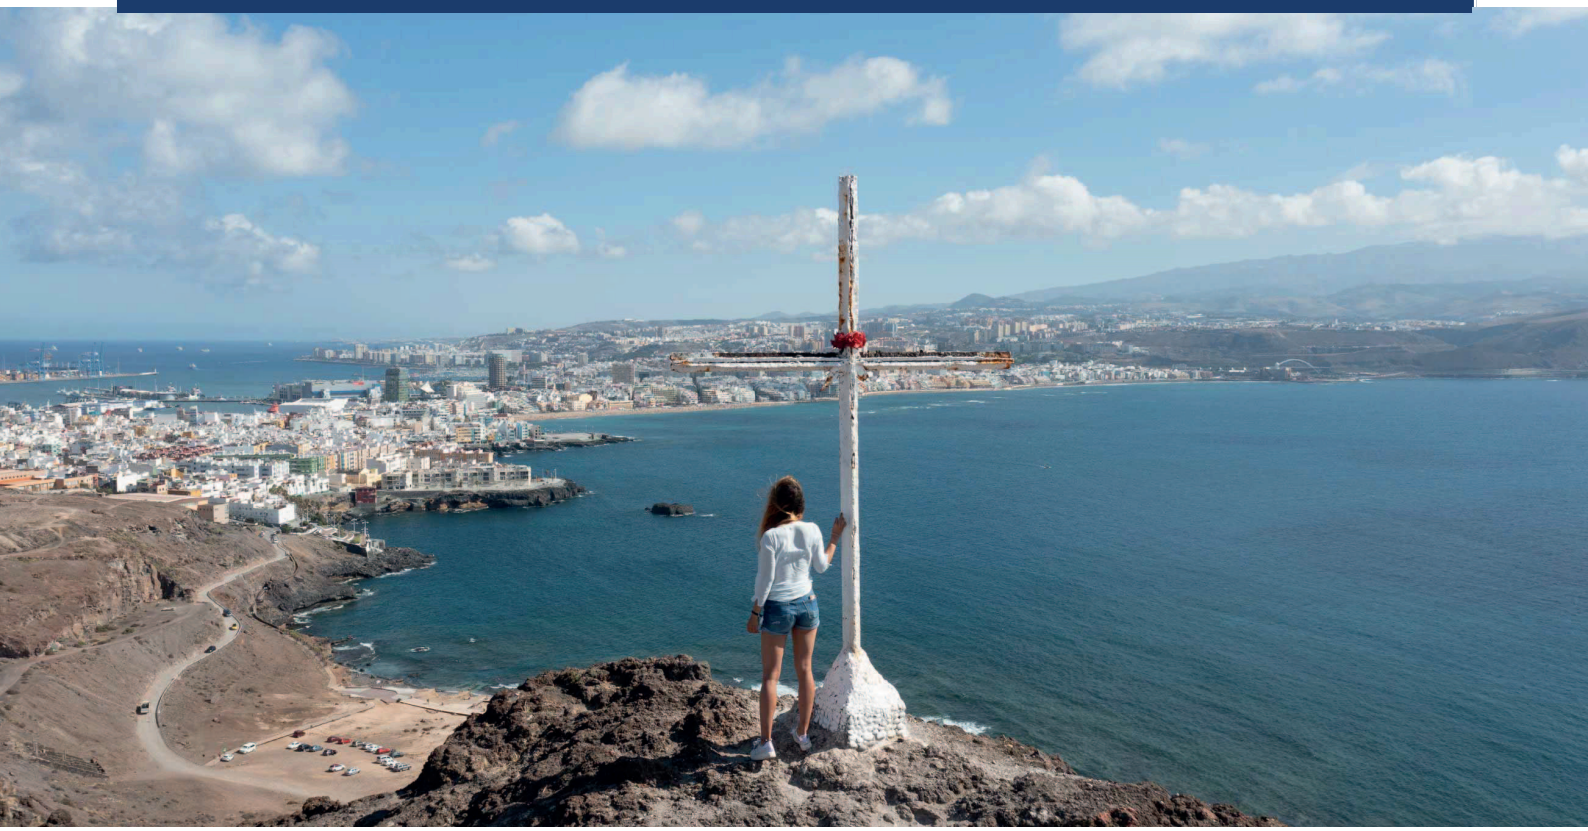

Each programme is shaped around the people travelling, with a balance of shared experiences and time to enjoy Gran Canaria in their own way.

For Individual Travellers

Come on your own.
Create your own experience.
Language courses start every Monday throughout the year. Individual travellers can combine Spanish or English classes with cultural visits, excursions, gastronomy and other activities available during their stay.

You may meet and share activities with other international adult participants, depending on the dates and programmes running at the time. A specific 50+ age mix or group composition cannot be guaranteed.
